NOTICE TO WIRELESS SERVICE PROVIDERS OF AVAILABLE FUNDING

Pursuant to the Final Order Adopting a Model and Application process entered on February 23, 2010 in Docket No. 911-019/PI-118, the Commission is to notify wireless service providers of the available funding for the 2010-2011 funding year.

A spreadsheet is attached hereto as Appendix A which outlines the funding available for each wireless service provider for the 2010-2011 funding year.

Furthermore, based upon the applications for funding received from wireless service providers, \$ 714,586.00 is available for the Wireless Service Provider Grant Program. Applications for grant funding are due no later than October 15, 2010, for the following funding year.

Applications for funding remain under review. This notice does not constitute an approval of any particular application. The Commission will be required to enter orders regarding each funding application once reviewed and any additional information needed, is received.

Please contact Sue Vanicek, Director of the Nebraska Telecommunications Infrastructure and Public Safety Department at (402) 471-3101, if you have additional questions.
